Your attention to these tips will assist us in providing our residents with the most efficient operations possible.

Trash Tip # 1 – GET ME TO THE CURB ON TIME!

Always have your can out by 6 a.m. on collection days.

Trash Tip # 2 – GIVE ME SOME SPACE!

I need a minimum of 3 feet of clearance. Never place me near parked vehicles or permanent structures like mailboxes.

Trash Tip # 3 – KEEP ME CLEAN!

For your sake and mine, keep me clean, odor-free and discourage unwelcome visitors by giving me rinse now and then.

Trash Tip # 4 – DON'T OVERSTUFF ME!

Please do not overfill containers. Maximum capacity is 200 pounds and my lid must be closed. No construction or hazardous materials.

Trash Tip # 5 – BAG & TIE GARBAGE, LEAVES AND GRASS CLIPPINGS!

This helps control odors and prevents fly-away trash when emptying into the truck.

Trash Tip # 6 – KEEP IT LOOSE WHEN IT COMES TO RECYCLING!

Place these APPROVED recyclables loose and ONLY in your blue can.

- **Plastics # 1 & 2 ONLY**
- **Paper & Cardboard**
- **Glass, Steel, Tin and Aluminum Cans**
- **NO: shredded paper, styrofoam or plastic bags**

Trash Tip # 7 – CALL WHEN I NEED REPAIR!

Call 928 668 0520 to report a broken wheel or cracked can or lid

Trash Tip # 8 - KEEP A COPY OF THE HOLIDAY SCHEDULE

[Holiday Collection Schedule \(click\).](#)

Thank you for taking the time to keep our operations as efficient as possible.
