

Town of Wickenburg General Plan Update Citizen Questionnaire

The Economic Development Advisory Commission has been charged with the task of updating the Town's General Plan. Their effort is being supplemented with input from other advisory commissions, committees and community groups. Input is also desired from individual residents. In order to measure the feelings of our community as to future growth and quality of life, we are asking that you take a few minutes and give us your thoughts on how we've done to date and what might be important to managing our future.

We have attempted to create questions that can be addressed by a simple "Yes" or "No" or by ranking "1" (low) to "5" (high). Space is provided if you wish to elaborate on your response. Please address the following questions and add any written comments you may have.
